

TERMS AND CONDITIONS

Payment terms

1. The terms of payment are strictly thirty (30) days (or such other period as nominated by the supplier herein) from the end of month of date of delivery. Excel Pacific Australia Pty Ltd ABN 46 762 848 701 and its related bodies corporate (as that term is defined in the *Corporations Act 2001*) (**Supplier**) may, at any time, unilaterally vary the terms of trade in its absolute and unfettered discretion.
2. Should the Applicant not pay for the goods or services supplied by the Supplier in accordance with the credit terms as provided herein, or as agreed in writing by the Supplier from time to time, the Supplier will be entitled to charge an administration fee of:
 - (a) 10 percent of the amount of the invoice payable; and
 - (b) a further 10 percent per annum payable per year, or part thereof, until payment by the Applicant.
3. The Applicant must reimburse the Supplier for the full amount of any bank fees or other expenses associated with any dishonoured payments or cheques and any legal, debt recovery or other expenses associated with any action by the Supplier to recover money from the Applicant.
4. The Applicant acknowledges the Applicant has had an opportunity to obtain independent legal and financial advice in relation to this Credit Agreement.

Jurisdiction

5. The Applicant acknowledges and agrees that this agreement will be governed by the laws of Victoria, and the laws of the Commonwealth of Australia which are in force in Victoria.
6. The Applicant acknowledges and agrees that any contract for the supply of goods or services between the Supplier and the Applicant is formed at the address of the Supplier.
7. The parties to this agreement submit to the non-exclusive jurisdiction of the courts of Victoria and the relevant federal courts and courts competent to hear appeals from those courts.

Security/charges

8. The Applicant charges in favour of the Supplier all of its estate and interest in any real property that the Applicant owns at present and in the future with the amount of its indebtedness hereunder until discharged.
9. The Applicant charges in favour of the Supplier all of its estate and interest in any personal property that the Applicant owns at present and in the future with the amount of its indebtedness hereunder until discharged.
10. The Applicant appoints as its duly constituted attorney the Supplier's company secretary from time to time to execute in the Applicant's name and as the Applicant's act and deed any real property mortgage, bill of sale or consent to any caveat the Supplier may choose to lodge against real property that the Applicant may own in any Land Titles Office in any state or territory of Australia, even though the Applicant may not have defaulted in carrying out its obligations hereunder.
11. Where the Applicant has previously entered into an agreement with the Supplier by which the Applicant has granted a charge, mortgage or other security interest (including a security interest as defined in the *Personal Property Securities Act 2009 (PPSA)*) over or in respect of real or personal property, those charges, mortgages or other security interests and the terms which directly or indirectly create rights, powers or obligations in respect thereto will continue and co-exist with the obligations and security interests created in this agreement and will secure all indebtedness and obligations of the Applicant under this agreement. The Supplier may, at its election, vary the terms of such previous charges, mortgages or other securities to reflect the terms herein.

Purpose of credit

12. The Applicant acknowledges and agrees that the credit to be provided to the Applicant by the Supplier is to be applied wholly or predominantly for commercial purposes.

Formation of contract

13. Quotations made by the Supplier will not be construed as an offer or obligation to supply in accordance with the quotation. The Supplier reserves the right to accept or reject, at its discretion, any offer to purchase received by it. Only written acceptance by the Supplier of the Applicant's offer will complete a contract.
14. Placement of an order, either verbally or in writing, will imply acceptance of the Supplier's offer and of these terms and conditions.

Packing

15. The cost of any special packing and packing materials used in relation to the goods are at the Applicant's expense notwithstanding that such cost may have been omitted from any quotation.

Shortage

16. The Applicant waives any claim for shortage of any goods delivered if a claim in respect for short delivery has not been lodged with the Supplier within seven (7) days from the date of receipt of goods by the Applicant.

Drawings, etc

17. All specifications, drawings, and particulars of weights and dimensions submitted to the Supplier are approximate only and any deviation from any of these things does not vitiate any contract with the Supplier or form grounds for any claim against the Supplier.
18. The descriptions, illustrations and performances contained in catalogues, price lists and other advertising matter do not form part of the contract of sale of the goods or of the description applied to the goods.
19. Where specifications, drawings or other particulars are supplied by the Applicant, the Supplier's price is made on estimates of quantities required. If there are any adjustments in quantities above or below the quantities estimated by the Supplier and set out in a quotation, then any such increase or decrease are to be adjusted on a unit rate basis according to unit prices set out in this document or in the quotation.

Performance

20. Any performance figures given by the Supplier are estimates only. The Supplier is under no liability for damages for failure of the goods to attain such figures unless specifically guaranteed in writing.

Delivery

21. The delivery times made known to the Applicant are estimates only and the Supplier is not liable for late delivery or non-delivery.
22. The Supplier is not liable for any loss, damage or delay occasioned to the Applicant or its customers arising from late or non-delivery of the goods.
23. The Supplier may at its option deliver the goods to the Applicant in any number of instalments unless there is an endorsement on the Applicant's order to the effect that the Applicant will not take delivery by instalments.
24. If the Supplier delivers any of the goods by instalments, and any one of these instalments is defective for any reason:
 - (a) it is not a repudiation of the contract of sale formed by these conditions; and
 - (b) the defective instalment is a severable breach that gives rise only to a claim for compensation.

Loss or damage in transit

25. The Supplier is not responsible to the Applicant or any person claiming through the Applicant for any loss or damage to goods in transit caused by any event of any kind by any person (whether or not the Supplier is legally responsible for the person who caused or contributed to that loss or damage).
26. The Supplier must provide the Applicant with such assistance as may be necessary to press claims on carriers so long as the Applicant:
 - (a) has notified the Supplier and the carriers in writing immediately after loss or damage is discovered on receipt of goods; and
 - (b) lodges a claim for compensation on the carrier within three (3) days of the date of receipt of the goods.

Storage

27. The Supplier reserves the right to make a reasonable charge for storage if delivery instructions are not provided by the Applicant within fourteen days of request by the Supplier for such instructions. The parties agree that the Supplier may charge for storage from the first day after the Applicant requests the Supplier to provide delivery instructions.

Returned goods

28. The Supplier is not under any duty to accept goods returned by the Applicant and will do so only on terms to be agreed in writing in each individual case.
29. If the Supplier agrees to accept returned goods from the Applicant under clause 28, the Applicant must return the goods to the Supplier at the Supplier's place of business referred to at the head of these conditions.

Retention of title

30. Title in the goods does not pass to the Applicant until the Applicant has made payment in full for the goods and, further, until the Applicant has made payment in full of all the other money owing by the Applicant to the Supplier (whether in respect of money payable under a specific contract or on any other account whatsoever).
31. Whilst the Applicant has not paid for the goods supplied in full at any time, the Applicant agrees that property and title in the goods will not pass to the Applicant and the Supplier retains the legal and equitable title in those goods supplied and not yet sold.
32. Until payment in full has been made to the Supplier, the Applicant will hold the goods in a fiduciary capacity for the Supplier and agrees to store the goods in such a manner that they can be identified as the property of the Supplier, and will not mix the goods with other similar goods.
33. The Applicant will be entitled to sell the goods in the ordinary course of its business, but until full payment for the goods has been made to the Supplier, the Applicant will sell as agent and bailee for the Supplier and the proceeds of sale of the goods will be held by the Applicant on trust for the Supplier absolutely.
34. The Applicant's indebtedness to the Supplier, whether in full or in part, will not be discharged by the operation of clause 33 hereof unless and until the funds held on trust are remitted to the Supplier.
35. The Applicant agrees that whilst property and title in the goods remains with the Supplier, the Supplier has the right, with or without prior notice to the Applicant, to enter upon any premises occupied by the Applicant (or any receiver, receiver and manager, administrator, liquidator or trustee in bankruptcy of the Applicant) to inspect the goods of the Supplier and to repossess the goods which may be in the Applicant's possession, custody or control when payment is overdue.
36. The Applicant will be responsible for the Supplier's costs and expenses in exercising its rights under clause 35. Where the Supplier exercises any power to enter the premises, that entry will not give rise to any action of trespass or similar action on the part of the Applicant against the Supplier, its employees, servants or agents.
37. The Applicant agrees that where the goods have been retaken into the possession of the Supplier, the Supplier has the absolute right to sell or deal with the goods, and if necessary, sell the goods with the trademark or name of the Applicant on those goods, and the Applicant hereby grants an irrevocable licence to the Supplier to do all things necessary to sell the goods bearing the name or trademark of the Applicant.
38. For the avoidance of doubt, the Supplier's interest constitutes a 'purchase money security interest' pursuant to the PPSA.

Cancellation of terms of credit

39. The Supplier reserves the right to withdraw credit at any time, whether the Applicant is in default under the terms of this agreement or not.
40. Upon cancellation with or without notice all liabilities incurred by the Applicant become immediately due and payable to the Supplier.

43. If the Applicant is a corporation (with the exception of a public listed company), it must advise the Supplier of any alteration to its corporate structure (for example, by changing directors, shareholders, or its constitution). In the case of a change of directors or shareholders the Supplier may ask for new guarantors to sign a guarantee and indemnity.

Trustee capacity

45. If the Applicant is the trustee of a trust (whether disclosed to the Supplier or not), the Applicant warrants to the Supplier that:
 - (a) the Applicant enters into this agreement in both its capacity as trustee and in its personal capacity;
 - (b) the Applicant has the right to be indemnified out of trust assets;
 - (c) the Applicant has the power under the trust deed to sign this agreement; and
 - (d) the Applicant will not retire as trustee of the trust or appoint any new or additional trustee without advising the Supplier.
46. The Applicant must give the Supplier a copy of the trust deed upon request.

Partnership

47. If the Applicant enters into this agreement as partners, the Applicant warrants that all of the partners have signed this agreement and that all of the partners will enter into a guarantee and indemnity with the Supplier in relation to the Applicant's obligations to the Supplier.
48. If the Applicant is a partnership, it must not alter its partnership (for example, adding or removing partners or altering its partnership agreement) without advising the Supplier. In the case of a change of partners, the Supplier may ask for new guarantors to sign a guarantee and indemnity.

Insolvency

49. If the Applicant becomes insolvent, the Applicant remains liable under this agreement for payment of all liabilities incurred hereunder. The Applicant remains liable under this agreement even if the Supplier receives a dividend or payment as a result of the Applicant being insolvent.
